I sent it out with a inmate Grievance form to the Ranking C-O's on 6-8-2023 and ~~me~~ sent one on the kiosk the same day and I stated on both Grievance forms that I needed it to be done before June 16th 2023 and I have yett to reciere it back in the timly matter that was giving to me becaase this facility can not follow the law or federal so please understand where and just what i am dealing with. By due process and my rights where violated. This should have been and/or should be grounds for a civil and/or federal suit, with dismissed of pending case.
